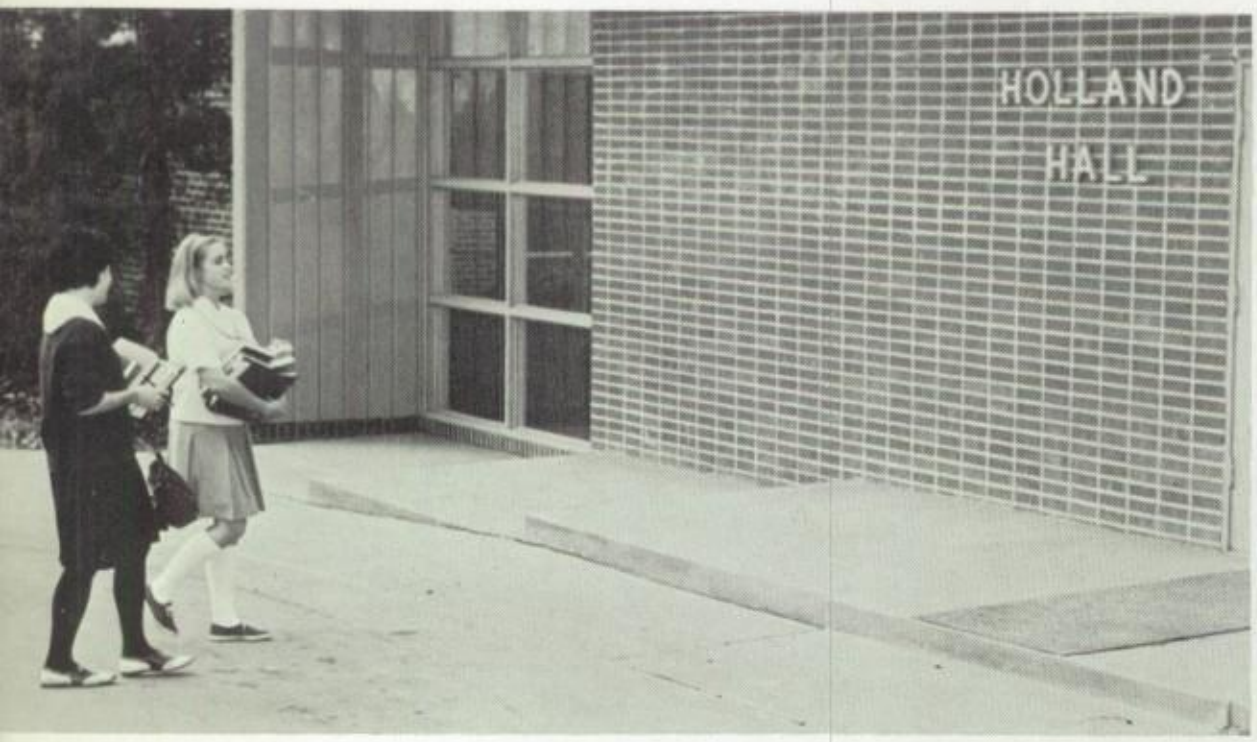
SOME FAMILIAR SCENES

1965-1966 was highlighted by the introduction of many innovations into Holland Hall's treasured traditions. Thus the theme of this yearbook—Tradition and Change.

Although change is essential to growth, tradition is an important part of the school life. Students participated in



the long-established activities such as Field Day, the All Sports Dance, Christmas programs, the Drama Club production, and the Book and Art Fair.

During his first year as headmaster, Mr. Herbert B. Moore provided several new opportunities for the students. With the help of Mr. Dundas and Father Taylor, interesting and educational programs were presented to the students by politicians, businessmen, outstanding athletes, clergymen, and entertainers. Seniors increased self-confidence through participation in a public speaking course conducted by Mr. Moore. They also demonstrated their sense of responsibility by proctoring study halls, by relieving teachers at lower school recess, and by tutoring underclassmen.

Although students resisted change at first, new ideas were accepted, and Holland Hall looks forward to a new and exciting future.

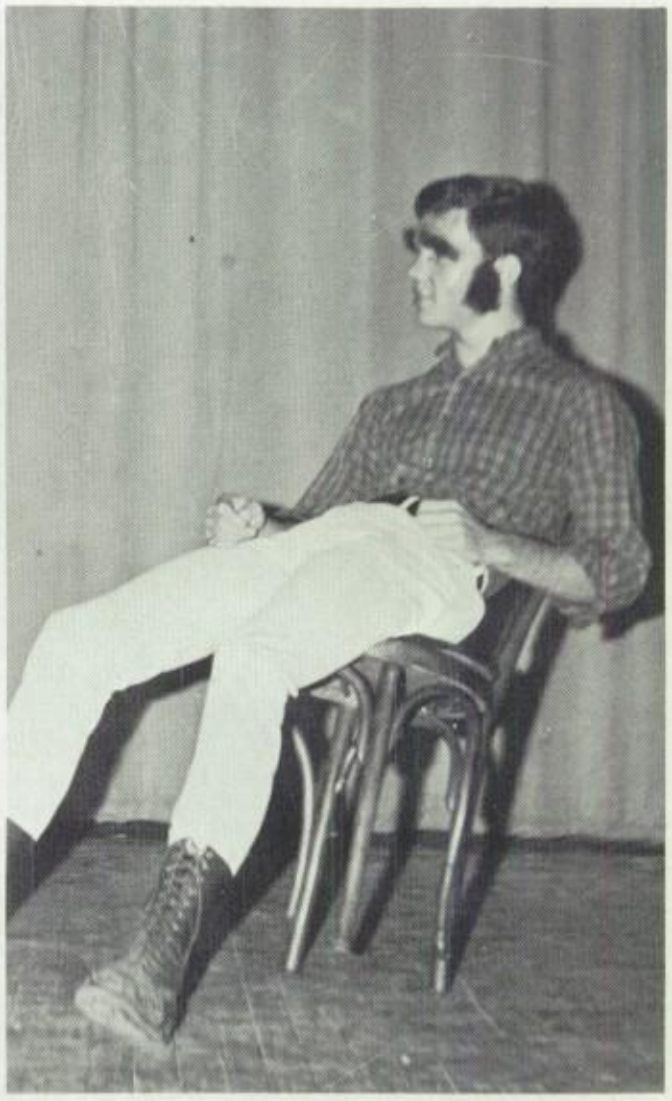
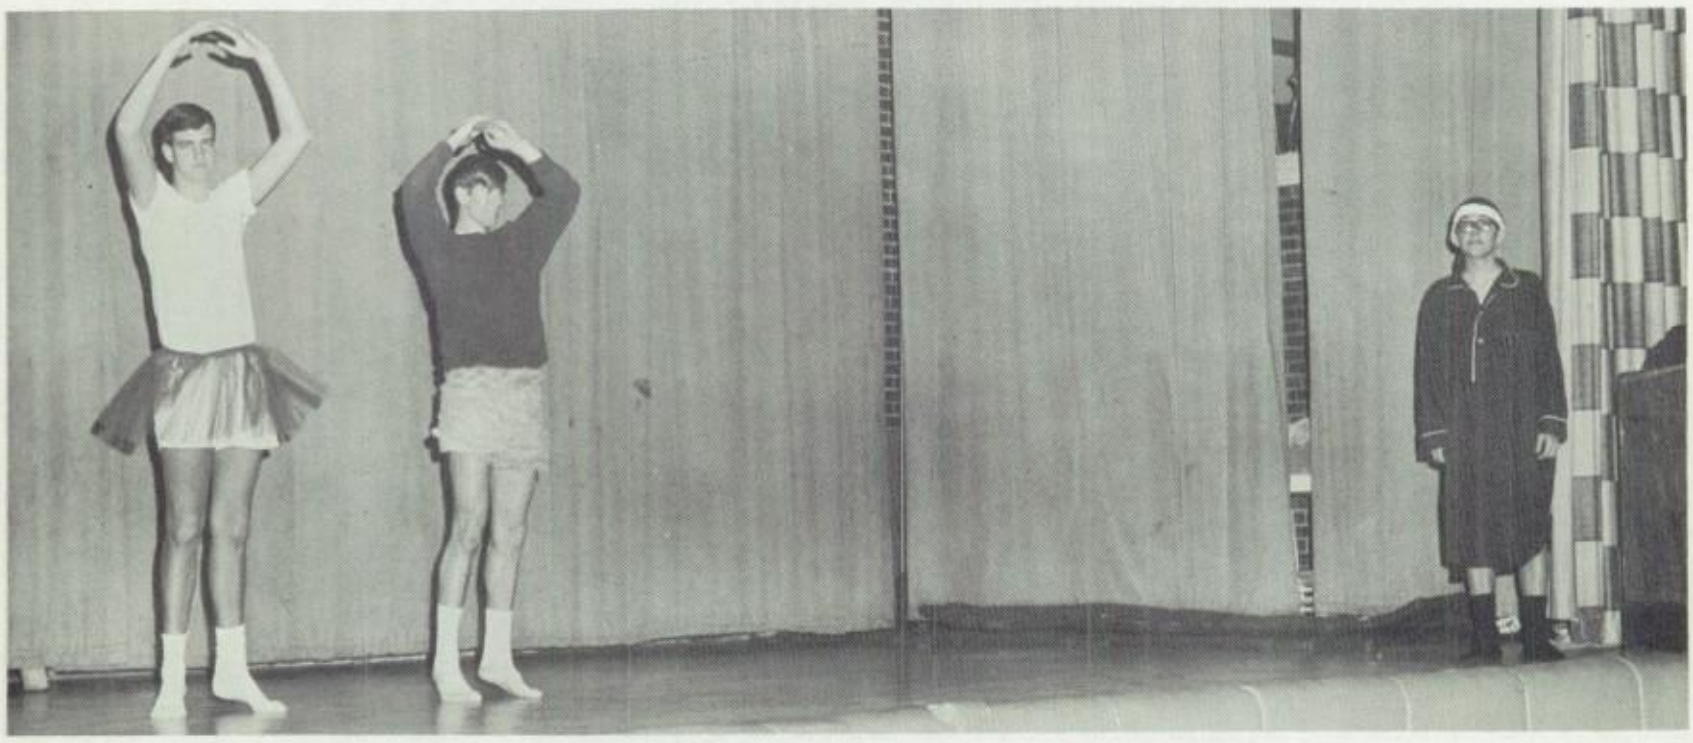
MILD AUTUMN LINGERS

Two annual fall events are Field Day, at which classes fill their treasuries through various projects, and the All Sports Dance. This year the All Sports Queen was JoAnne Wolfe, and her attendants were Susan Barfield, junior, and Cathy Wells, sophomore.

HH PRESENTS ABE LINCOLN IN ILLINOIS



The Dramatics Club's annual production was *Abe Lincoln in Illinois*. This play provided an insight into the personal life of Abraham Lincoln before he assumed the presidency. Lincoln the man was revealed through his principles, prejudices, religious and political views.



CHRISTMAS FOLLIES FROLIC

Christmas festivities this year consisted of the traditional Service of Lessons and Carols, the Lower School program, the dinner, and the exchange of gifts. Changes occured as the Upper School presented its version of "The Night Before Xmas," and the school was visited by Santa.

BOOK FAIR ENDOWS SCHOLARSHIP FUND

The Book and Art Fair is the major source of income for the Holland Hall Scholarship Fund. Parents and other interested parties graciously devoted their time and energy to gathering, sorting, and selling material. People from all over the city came to browse and buy from the large selection of literature, art works, and records.

NEW HEADMASTER'S PROGRAM IS ONE OF CHANGE

Mr. Herbert B. Moore came to Holland Hall from Tilton School in Tilton, New Hampshire, where he had been headmaster since 1958. He received his A.B. degree from Bowdoin College, his M.A. from Boston University, and his M.Ed. from Harvard University.

Mr. Moore's first year as Headmaster of Holland Hall has begun the evolution of a new school personality. Changes are reflected in the buildings by the repainting of the interiors and in the students by an emphasis upon dedication to the school.

Through Mr. Moore's efforts the boys' athletic program, the faculty advisor system, and the senior involvement in proctoring study hall, tutoring lowerclassmen, and helping with recess in the lower school have contributed vitally to school life. Increased student participation in chapel services and greater attendance at dramatic productions and athletic events are only two examples reflecting a new excitement and interest which has been created in the school.

The students realize the importance of the growth of the whole person, and understand the value of Mr. Moore's programs to develop the academic, physical, and moral qualities of all students at Holland Hall.

INJURIES PLAGUE LAST HALF OF FOOTBALL SEASON

After the Dutchmen dropped their season opener to Colcord, they became anxious for revenge and marched to Ponca City Military Academy where they took their first victory of the season 7-0. Defensive end Phil Kates intercepted a pass and charged for a Dutchmen touchdown. Kates kicked the extra point and gave Holland Hall the winning seven points.

In the first home game quarterback Doug Bromley plunged for a touchdown and passed for another giving H.H. a 14-0 halftime lead over Morris, but Morris scored three touchdowns in the second half to win 24-14.

Extra hard training paid off in Holland Hall's encounter with Dallas Greenhill. In sweltering heat fullback Phil Dundas drove for forty yards to set up a final plunge by Bromley. With the conversion by Kates, the Dutchmen won 7-6.

Having lost Russ Snow and Jim Hewgley through injuries, the Dutchmen defense could not hold for the rest of the season. Outstanding offensive play was seen, however, in the Kansas game and at Sperry where sophomore quarterback Steve Thomas staged a phenomenal aerial attack to end the season with great hopes for the future.

YOUNG JUNIOR VARSITY TEAM ACQUIRES VALUABLE EXPERIENCE

J. V. defenseman grabs opponent.

Holland Hall's Junior Varsity this season was plagued by lack of size both numerically and physically, but managed to play good football nonetheless. Although its secondary had several costly lapses in important games, the defense compensated for the weak offense. The offense, however, did show bright spots in the passing arm of Jeff Moore and in the quarterbacking trickery of seventh grader Paul Lockwood. Behind stalwart lineman Fred Hewgley's blocking, backs Richie Lawrence and Bobbie Berry, surprisingly good for their small size, scampered around the ends and through openings in the line for many long gains.

Considering that this season was the first opportunity for many of the boys to participate in a contact sport, they did extremely well. The team wound up the season with a record of one win and five losses, beating Bell Junior High in the best played game of the year. Their skills acquired under Mr. Ward's fine coaching will surely augment the Varsity and "B" teams next year.

DUTCHMEN CAGERS FIGHT

The Dutchmen were hampered by inexperience as they opened their season after only a brief eight days of practice. Two returning lettermen, seniors Phil Kates and Phil Dundas, and three juniors, Rob Nathan, Bob Parker, and Jack Gray composed the starting five for Holland Hall. Coach Tom MacKenna relied heavily on the scoring potential of Phil Kates to sustain the Dutchmen offense in the early half of the season.

The Dutchmen lost their first three games, but their second opponent, Kelley, defeated them by only two points with a last-second field goal. Holland Hall's first victory came against Manford, with Phil Kates dumping in thirty-one points. The next four games yielded one victory for H.H., but starting with Ochelata the Dutchmen embarked upon a six game winning streak. Against Ponca City Military Academy, Kates

scored his season high of thirty-six points.

The Dutchmen winning streak came to a halt when they met Casady on the H.H. court. A closely played first half left the Dutchmen trailing 23-21, but a strong Casady offense in the second half defeated the Dutchmen 61-44. In the next game Holland Hall lost to Kelley 86-78 as a fourth quarter Dutchmen scoring rally proved unsuccessful.

After an easy victory over Avant, the Dutchmen played their last home game with Claremore. A second quarter stall in the H.H. offense became costly as they lost the game 74-70. Phil Kates managed to sink thirty points and raise his average, so that at the end of the Holland Hall season he led the city in scoring with a 22.4 average.

Phil Kates stretches to put up a shot.

JUNIOR VARSITY HAS FINEST SEASON EVER

Eric Grimshaw jumps against Cascia.

Faced with one of the toughest schedules ever compiled, the J. V. basketball team racked up 27 wins and 8 losses this year. Two of the losses came in the Casady Invitational Tournament which hosted the top teams of Oklahoma junior high basketball. This year's schedule provided games for both the seventh and eighth grade teams against Casady, Cascia, Catoosa, Carver, Sperry, Edmond, and many others.

Starting on the seventh grade team which compiled a 12 and 2 record were Rick Helmerich, Buzz Walters, Bill Wright, Paul Lockwood, Dale Frates, and John Yandell.

The eighth grade team was lead by Fred Hewgley, top scorer of the crew, Barrett Spencer, Richie Lawrence, Jeff Moore, Eric Grimshaw, and Pat Owen. After a fine season last year as seventh graders, these boys ended their Junior Varsity careers in an outstanding fashion. Without a doubt they will be fine candidates for the Varsity "B" team next year. This team will surely be remembered as the prototype for J. V. teams to come.

IMPROVED SOCCER TEAM WINS NEW HONORS

The Holland Hall soccer team opened a successful 1965-66 season with a 4-1 victory over Oral Roberts University. The Dutchmen then went on the road to Fort Worth Country Day School and Oklahoma City Casady. Both games were mixed with hard checking and disputes over rules with Holland Hall being narrowly defeated 1-0 and 3-1. Returning home the Dutchmen again overpowered O.R.U. The following week the soccer team traveled to St. Gregory Junior College for a match that resulted in numerous disputes which nearly resulted in a brawl. The referees handled the situations well, and play resumed with St. Gregory winning 3-0. The Dutchmen, then holding two wins against three losses, soon became winners again with victories over Casady and a team of visiting Kuwait students. The climax to a successful season came when the team entered the Greenhill Invitational Meet in Dallas and brought home the championship by defeating Ft. Worth and Selwyn schools, ending the season with six wins and three losses.

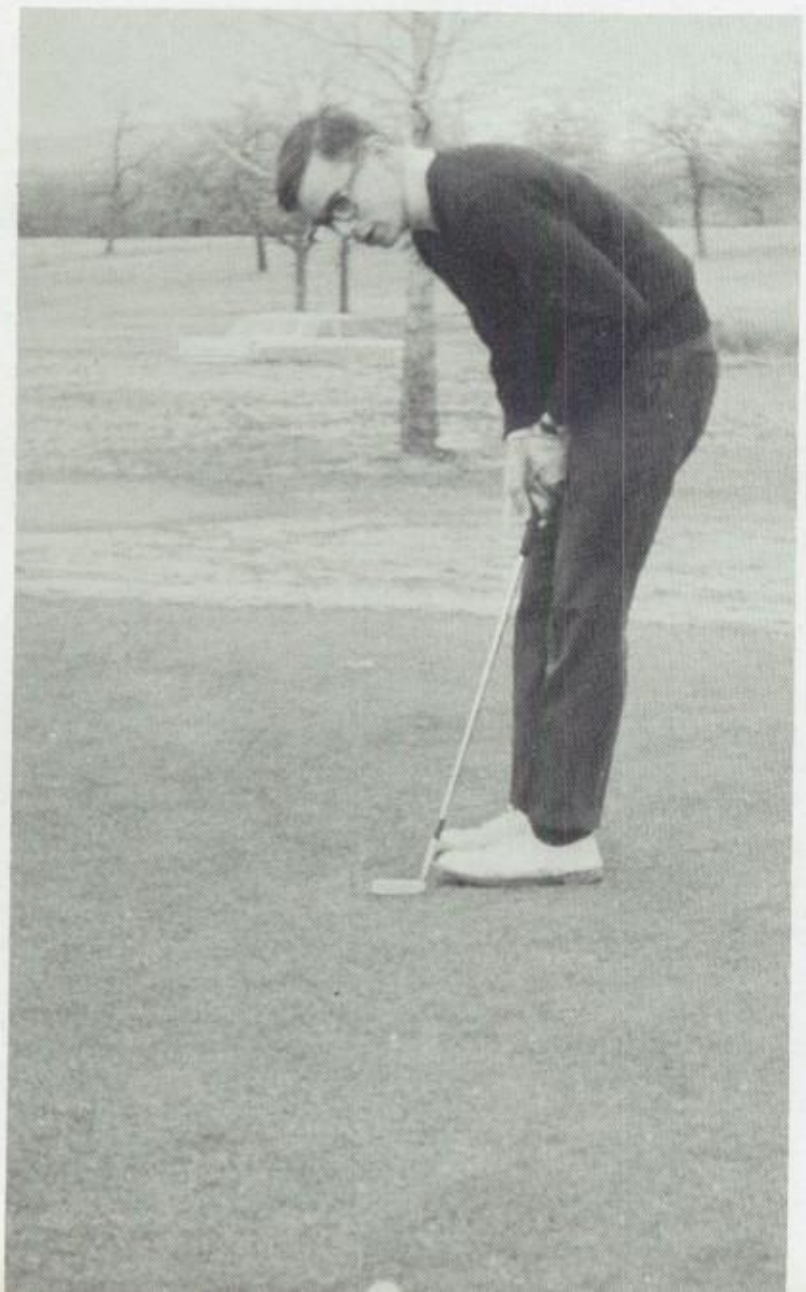
YOUNG GOLF TEAM CARRIES MUCH POTENTIAL

Alan Moore waits for his putt to sink.



The Golf team this year is long on potential but short on experience. Two of last year's starting four were lost by graduation, and most of the upcoming golfers have seen little or no action in the past. With practice, however, the strong potential of the team should be brought out, and the golf team should look forward to a successful season.

Junior Alan Moore, last year's first man and Most Valuable Player, provides the core of the team. Along with Moore's three years of varsity experience is sophomore Bob Hewgley's full season of competition in the second position. In the third slot junior Bob Parker plays his first full year of varsity matches, aided by last year's practice on the golf team. The fourth spot on the golf team is sought by prospects John Kistler, Jack Hays, Phil Dundas, Jim Hewgley, and Adam Adwon.

Under the coaching of Mr. Brooks, the golf team seeks victories in Houston, Kansas City, and Oklahoma City, as well as in the local matches.

TENNIS TEAM STRIVES FOR FIFTY WIN GOAL

The 1966 Varsity Tennis Team hopes to end its fourth and final year under the excellent coaching of departing Mr. Straley by reaching the golden number of fifty wins. In three years of varsity competition Holland Hall tennis teams hold forty-four wins and only thirteen losses. In this year's campaign, to reach fifty wins the Dutchmen again play schools at least twice the size of Holland Hall. Included on the schedule are the Memorial Magic Empire Champions, the Nathan Hale City Champions, and the State Champions of Muskogee. Road trips will be made to Oklahoma City Casady, Pembroke Country Day School of Kansas City, Fort Worth Country Day School, and finally St. Marks of Dallas for the Southwestern Preparatory Conference Championship.

This year's team includes seniors Doug Bromley and Phil Kates followed by Robbie Lyon, Joel Janco, Jay Bird, Jack Gray, Brad Bradley, Bryan Berkey, and James Maddox. This spirited squad plans to bring home the best season record in Dutchmen history.

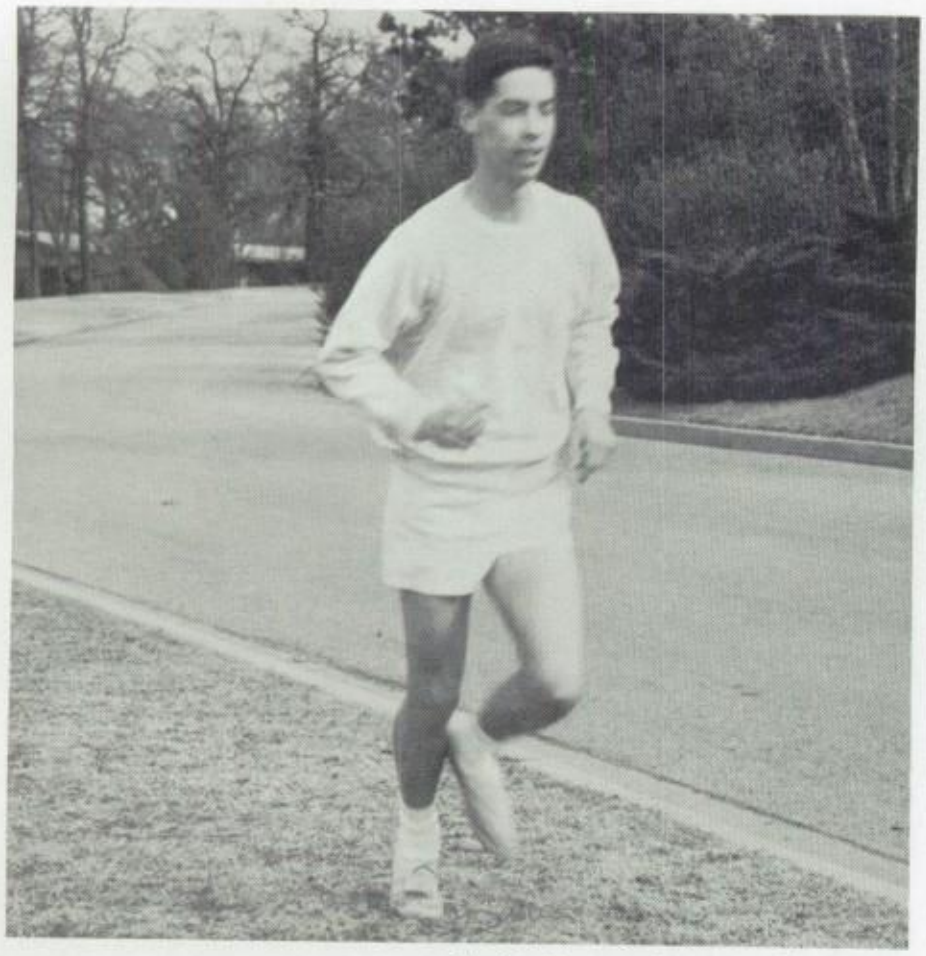
CROSS COUNTRY BECOMES NEW VARSITY SPORT



Smile Dave, only ten miles to go.

This fall, for the first time, cross country was offered at Holland Hall as an alternative sport to football. Organized by coaches Mr. Daskalovic and Mr. Jim Miller, the new team elected Dave Bryan as Captain and David Robison as Co-Captain.

The inexperienced team had four meets this year. Two were scheduled against Bishop Kelley's "B" Team and two others against Casady School of Oklahoma City. Although the team lost each meet, the individual efforts put forth by the runners were very encouraging. In the last meet against Casady Holland Hall lost by only six points which was an outstanding improvement for the young team.

With this tremendous improvement shown and with the expected return of nearly all of the team next fall, Holland Hall's newest team is off to an excellent start. With even brighter prospects for the future, cross country at Holland Hall seems to be here to stay.

GIRLS DEVELOP COORDINATION THRU ATHLETICS

The Girls' Athletic Council consists of a representative from each class and the captain and co-captain of the Sakawas and Wanatas. The officers are Melinda Crockett, president; Peggy Higgins, vice-president; Katie York, secretary; and Judy Zarrow, treasurer. The group regulates intramural activities and votes on awards for individual players who excel in specific sports. They also elect the Athlete of the Year, a girl who excels in all sports.

A team cup is awarded for excellence in each major sport. They also award a trophy to the team whose members have the highest academic average, and to the team who has had the best posture.

This year the council sold school directories and candy. From the profit of these sales, the council bought athletic equipment and a couch for the girls' locker room. They helped finance the girls' hockey, basketball, and speedball trips to Oklahoma City, and the girls' basketball trip to Dallas.

There was a great turnout at the opening practice for the fourth season of girls' tennis. The interest was so great that a Junior Varsity was formed under the direction of Mrs. Kaboth.

The Varsity was under the expert training of Mr. Straley. Besides attending scheduled practices three times a week, the team ran laps and wind sprints.

To distinguish their ranks on the team, the players had matches among themselves. The matches resulted in the following rankings: Lynn Davis, Pam Lockwood, Jenny Vruwink, Gill Stowell, Katie York, Sherry Manley, and Jan Lyons.

The highlight of the season was the Eastern Oklahoma Tennis Festival at Okmulgee. At this tournament the team placed second, giving Muskogee a hard time for first.

Holland Hall was proud of the team's star player Lynn Davis who brought home the Missouri Valley Championship and helped to end the season with only two losses.

ORGANIZATIONS

STUDENT COUNCIL

This year the Student Council has endeavored to play a more active role in school life at Holland Hall. A boy's Lettermen's Club was initiated at the beginning of the school year through the Student Council. The Council has tried to act as a sounding board for student opinion and as a coordinator of school activities for the general benefit of the school. One project which will be realized next year is a Student Handbook. Mr. Moore's willingness to allow Council president Phil Dundas to consult with him is indicative of the leadership role which the Council is assuming in the school.

MATH CLUB

Now in its fourth year, the Math Club has blossomed into a well-rounded program designed to give its participants a rewarding experience through individual research and to stimulate interest in a possible career.

The first semester this year was spent in solving a specific problem and the second in constructing a computer program which would solve this problem under varying circumstances.

This year has proven to be fascinating as well as successful for the Math Club, and all indications point to an equally rewarding program next year.

HALL WAY

The *Hall Way* is the monthly newspaper covering daily events and activities at Holland Hall. Students gain journalistic experience by meeting deadlines, reporting stories accurately, managing the advertising, and planning the layout. Virginia Carlson headed the staff as editor, helped by Jill Campbell, assistant editor; Susan Davis, advertising manager; Russel Snow, circulation manager; and John Holliman, sports editor. During the year the *Hall Way* has faithfully given students all the "news that's fit to print."

EIGHT ACRES

The production of a yearbook has its headaches and frustrations and the EIGHT ACRES is no exception. Yet out of this chaos Michele Ader, editor, along with Marsha Humphrey and Phil Dundas, associate editors; Doug Bromley, sports editor; and Melinda Crockett, advertising manager, produced the 1966 EIGHT ACRES. There was much work to do: laying out and setting up pictures, writing and rewriting copy, Saturday and all-night work sessions, to the typing of the final copy.

The *Windmill*, Holland Hall's literary and art magazine, gives upper school students a chance to see their creative efforts in print. Stories and pictures may be turned into the English department as a part of assigned work or may be given directly to the *Windmill* staff. The staff, composed of Barbara Park, editor; Geta Carlson, associate editor; and Dave Bryan, art editor, carefully sift through the various short stories, poems, and pictures from early September until the end of February in order to choose the best pieces for the *Windmill's* single March issue.

DRAMA CLUB

The Drama Club, under the direction of Mrs. Chase, presented only one production in the fall this year. In place of the spring play, Mrs. Chase sponsored a public speaking class for those people interested in improving both their speaking skills and their acting abilities. The fall production, *Abe Lincoln in Illinois*, was presented in ten acts by a talented cast consisting of Phil Dundas as Abe Lincoln, Geta Carlson as Mary Todd, and Robert Bradley as Stephen A. Douglas. With the expert advice of Mrs. Chase, the help of the production staff, and faculty advisors, the production was presented to a record capacity crowd.

Phil, Mrs. Chase, and Geta work on line delivery.

DEBATE

This past year the Debate Club tackled another controversial national topic. Holland Hall's teams debated, "Resolved: That the Federal Government should adopt a program of compulsory arbitration in labor-management disputes in basic industries."

The two teams were composed of John Gilkeson and Jim Mazzerella; Phil Edwards, David Mole, and Richard Feldman, with Elizabeth Meyer as alternate.

Under the direction of Mr. Tuttle, the teams attended the Eastern Oklahoma Forensic Conference, the Eastern Speech Conference Tournament, the State Regionals, and several city meets.

KEY CLUB

The Key Club, a Holland Hall service organization chartered by the Student Council, entered its second year of activity with several changes. Officers Barbara Park, president; Margie Pribyl, vice-president; and Mark Harris, secretary-treasurer, helped write the club's first constitution, and the Key Club selected membership on the basis of how each individual could contribute to club activities.

Activities of the Key Club include maintaining a reception desk, running errands, picking up attendance slips, collecting money for school trips, conducting new students, and running a library session each Saturday morning.

PEP CLUB

Under the leadership of Pep Club president Marsha Humphrey, the Pep Club has provided excellent support for varsity sports this year. A genuine interest in the school on the part of most students has been established through the Pep Club. Spirit ribbons, signs, and increased attendance at athletic events this year have helped to create a school spirit which has carried into many other areas of school life. The Pep Club has firmly established itself as a tradition at Holland Hall which will continue to grow in years to come.

CHEERLEADERS

This year the cheerleaders have worked closely with the Pep Club to promote school spirit. To prepare for this job, the cheerleaders attended the annual cheerleading clinic at the University of Oklahoma. During their four days of training, the cheerleaders were instructed by professional cheerleaders, taught new cheers, and given new ideas for skits.

The cheerleaders were chosen by the student body. There is one cheerleader from each grade—ten, eleven, and twelve—and three at large.

ART ACTIVITIES

The Art Activities class is most ably directed by Mrs. Carmack, whose creative ideas involve such projects as toothpick sculpture and collage. Students are encouraged to express themselves, and as a result, many striking discoveries are made in the use of colors and materials. The students in Art Activities are called upon to furnish backgrounds for school plays and advertising posters for the Book and Art Fair. The art room fills with masterpieces as the students continue to dabble in various forms of creativity.

LETTERMEN

The Lettermen's club is in its first year at Holland Hall, but already it is showing signs of a successful and productive future. Under the sponsorship of Mr. Bullard, the varsity lettermen met at the beginning of the year to write a constitution and to make plans for the upcoming year. Besides helping to serve the school by carrying books at the Book and Art Fair, the Lettermen's Club carried out a spring work day by helping at Hissom Memorial Center. Although it is a young organization, the Lettermen's Club has already established itself as an active school service and spirit organization.

HOLLAND HALL
INCORPORATED
1930
TULSA, OKLA.

A yearbook is more than a collection of pictures. It is the permanent record of a year in the life of a school. We have done our best to preserve the highlights of this year for your memory. The 1966 EIGHT ACRES, however, looks as much to the future as to the past—for this has been a year of change. And the changes of today will be the traditions of Holland Hall's future.

This record of the first year of change of Holland Hall could not have been completed without the help of Marsha Humphrey, Phil Dundas, and Doug Bromley. I would like to thank them sincerely. If this yearbook means half as much to you, the students, as it does to us, it will have been well worth the effort.

MICHELE ADER
Editor, 1966 EIGHT ACRES
